

## ACKNOWLEDGMENTS

First I would like to express my appreciation to Jane Harmon for your vision and hard work in the creation of these ideas and for your overall support.

I also want to acknowledge my appreciation for the many business owners who have shared their stories with me to help me better understand what it is like to be a new entrepreneur and how planning makes a difference in your day to day lives. I would particularly like to thank John Station, Paula Moore and Larry Martinez for opening your books to my scrutiny!

My heartfelt thanks go to my editor, Matt Holt at John Wiley & Sons. Your creativity, objectivity and expertise added greatly to the book and to my enjoyment in writing it.

Finally, I want to thank my entire family for your consistent support, especially during those times when I know your patience was tested.
